Elden Ring Patch With Serial Key

* Guides you to launch attacks and repel blows using powerful armors and accessories * Low-level content and traditional role-playing game content * Attack or defend at close-combat, or use magic attacks and special skills to destroy enemies * Maintain a stable vitality level by consuming the supplied Magic Potions or food * Fight epic bosses in the dungeon to increase your strength, receive new equipment and Magic Potions, and rescue the game protagonists from a fierce battle. ATTACK OR DEFEND AT CLOSE-COMBAT. Attack with armor and accessories, use magic and skills, or perform a combination of the two. Use the left and right keys to move the active character. You can move the character by pressing the J key. Press the D key to perform special skills for that character. Press the Y key to perform a caster move. Press the E key to use a magic spell in the current situation. BUY AND CAST MAGIC POTIONS AND SPELLS. Purchase ingredients to create Magic Potions at the Magic House. Once the magic potion is created, the player can use it to increase health and magic by 150%. The ingredients are sold at the Magic House for quite a bit of gold, which is recommended to spend it to replenish the Magic Potions. Magic Potions that heal the party members automatically are always available. The player can search for a dark magic to use a new skill, but the dark magic will be sold at a hefty price as the costs of the materials used to make the potions are very high. CASTER MOVES. Increase the health and magic of a selected character and defend with elemental runes to inflict damage on enemies. As a caster, you must be careful of the level of the enemy or the number of enemies. It is difficult to cause damage when the enemy has high resistance to magic. CASTER MOVES apply to 6 different character types (Warrior, Mage, Thief, Monk, Archer, and Healer). You can freely switch the characters you have selected with the left and right keys. USE SPECIAL SKILLS. A variety of Magic Potions and special skills allow you to powerfully attack and defend against the enemy. The special skills of War, Mage, Thief, Monk, Archer
