

As a member of the Elden Ring, the greatest of the noble orders of warrior, you will guide the Elden Ring by leading an army of heroes to conquer the Lands Between. The Lands Between is an endless, unexplored world in which the landscape is largely covered by a thick fog, and most all the people you meet are friendly and simply wish to explore the world. Towns, villages and dungeons regularly abound. As a member of the Elden Ring, the Elden Knight army is headed by a benevolent grand warlord who maintains the peaceful order in the Lands Between. He has been assigned you as his personal representative, and is eagerly waiting for you to lead his army in the Elden Ring War. Although this is a war to help another man, you will be one of the most important people of the war. Only one member is allowed to be a candidate for this noble order. The Order of the Elden Ring's credo is to fight for peace, and to battle bravely and justly, keeping in mind the good of the whole. During its history, the Elden Ring has been involved in several wars, but all of them have been without malice. Those wars have been acts of war that have defended the good of the people

and fought for the truth of the Elden Ring. However, since its initial formation, the Elden Ring has been looking towards the future, and has ceased its wars. Being recognized as heroes, all members of the Elden Ring receive a reward in the Lands Between, known as the Elden Ring Reward. By receiving the reward for your services, you can increase your stats, strengthen your main weapon, and receive various other benefits. Although you can do things in order to obtain the rewards faster, you should do so with caution. You should never forget to treat your comrades with kindness and be careful not to use items and actions that may lead to your destruction.

ABOUT ZOMBIES

CHRISTINE: A charming and vivacious woman named Christine has an adorable personality and loves to listen to music. She is also a little clumsy, but she is a kindhearted woman who is good at caring for others. Due to her clumsiness, Christine always gets into awkward situations, but she is loved by her parents who are kind to her and helps her in many situations. Upon being summoned to the Black Forest, she and her fellow adventurers were attacked by a bloodthirsty horde of zombies, who then dragged her into

Six months have passed since the huge earthquake in the Lands Between The Lands Between are now being covered in darkness, where a curse has begun to circulate. The land where the Landstalker Dragon resides is no exception. The monster is on the rampage due to the curse, and the blighted land is becoming a hazardous place for even the greatest hero. ————— (due to the virus)
Here is the reason for the earthquake that just occurred, and is the link for that earthquake's causes! We apologize for this inconvenience, and want you to know that we are working hard to free all servers!

----- ■ About The Landstalker Dragon This monster, which is the main enemy of the Elden Lords, is terrifying even to gods and demons. However, for it to be destroyed, you must first slay the 50 guardians inside the Landstalker Dragon's body, and if those aren't defeated, you must brave the various traps that will no doubt be waiting for you. ■ About Elden Knight System In addition to the monster attacks from the Landstalker Dragon, your life will be in danger when you repeatedly pass through the Covered Hills or are attacked by monsters within a specific area. While you slay monsters or fights, your Elden Knight will also grow stronger. If you are defeated during the battle, your armor will be damaged, and upon dying, your class will be lowered. However, you will have the opportunity to give your life for your love, and revive as an Elden Lord, to do battle once again. ■ About The Forgotten King's Castle The Forgotten King's Castle, which is the epicenter of the moon's curse, is deeply connected to the curse itself. Because the moon's curse was greatly amplified when the sun and moon were destroyed by the Landstalker Dragon, the Land Between has become a place where monsters cause chaos. To help you, for a brief time, an introduction video from the story of the Lands Between that begins at the beginning of "Yggdrasil of the Moon" will be released! ■ About The Elden Knights In order to protect the Lands Between from the curse, the Armies of Gods will use the power of the Elden Knights. It's said that when the Elden Knights confront

Release date: 15/08/2013 (Thu) 13:00 Treasure: Most likely to make your jaw drop - E10 gameplay footage Release date: 13/08/2013 (Wed) 08:00 Release notes: Treasure: Most likely to make your jaw drop. E10 gameplay footage From the creators of Samurai Warriors, comes a new strategy simulation game which has put a funny spin on the genre. This game takes place within a mysterious land - where a race of mythical creatures called gods run wild. As a god, the main character is King Regulus and a fellow god Phio hosts the Hades (Macheria's brother), who gives you helpful advice from time to time. Your task is to become the strongest, and to unite the Upper and Lower Lands. Treasure brings new levels of grand strategy to your personal computer. Experience a completely new type of gameplay with a mixture of sim and time-management elements in the same game. Like all of the Treasure games, it's incredible fun to play and highly addictive. **Features:** Treasure is a strategy RPG for the personal computer which combines a turn-based, traditional strategy game with a random world combat system. Where the basic strategy RPG goes back and forth, Treasure alternates between the usual combat and turn-based strategy game. In these "turns", the various demons' HP/MP and stats are set and AI is used. Treasure puts the emphasis on combat, utilizing a unique battle system with more than 50 different kinds of swords and magic that recreate the excitement of the classic sword and sorcery novel. Participate in Turn-based Strategy Game. Battle against other players in competitive strategy, and compete against opponents in the ranking ladder. Live a Magical World. Witness spectacular changes in the flora and fauna based on your actions as a god. Treasure also includes a pleasant and lively battle system with

weapons, arms and armour. Fantastic, Amazing World Based on
