▼Story The Elden Ring was an era characterized by the establishment of the Elden Ring, the spread of the war between the Gods, and the destruction of the ancient civilization of Dhalis. One day, the dark Elf King Bedalus and his elvish followers committed an unpardonable crime in the heart of the Folktown of Tower, and then fled. In the Lands Between, now known as the Holy Forest, legend says there is a secret artifact that can turn on the Elden Ring. That artifact, the Starring Stone, which points to the location of this secret artifact, and which has its own power, has been hidden away by a group of people known as the Chosen. The Chosen are the descendants of the heroes who sought to destroy the dark Elves, and have been guarding the Starring Stone ever since. With the influence of the evil forces of the Elden Ring that broke through, the Chosen develop a black magic, and commit a number of crimes in the Holy Forest. One day, the adventuring party of the new elden age, the Nine Saints, resolve to take action against this evil. These adventurers travel to the Holy Forest, and begin to discover the truth behind the Starring Stone

Elden Ring game) Elden Ring game A high fantasy action RPG for the Nintendo 3DS! Elden Ring, rising from the seas of obscurity to proclaim itself as a shining light in the darkness. A fact that is truer than it seems. The “power” of Elden Ring lies not in its gameplay, which is a traditional action RPG. A story born from myth’s dragons and a world running red with blood and filled with hope, Elden Ring sports a story that engulfs the world of its own and a gameplay that leaves players panting with excitement. A unique fantasy RPG action game for the Nintendo 3DS! Play it to continue living in the world of Elden Ring. MOVEMENT Elden Ring is packed with an addictive gameplay that lets you freely move while wielding weapons at your side. Movement includes avoiding enemy attacks while dodging, as well as running to an interesting target as a means of attack. 2 Mode Movement Modes The game has various movement modes, so your movements in the game are enjoyable as you can switch between them at will. The Free Movement mode is the traditional action RPG. In this mode, you can freely move while wielding weapons and use power skills. Boost Movement mode gives you an upper hand in battle. In this mode, you can freely move while wielding weapons. If you use a skill, your movement will be increased. Mantra Movement mode, a new addition in Elden Ring, makes it easy to use your mantras while running. INVENTORY Elden Ring is packed with numerous weapons and armors. As a matter of fact, various character builds are possible in the game by switching between them. Weapons Slash weapons – “Kansatsu” (Bending Sword) and “Basket” (Crowbar) are slashing weapons. “Kansatsu” is good for cutting and throwing stones while “Basket” is good for one-on-one fights. Theory is to use one of these with a weapon shield, “Hammers”, and prevent enemy attacks with them. Armors Sturdy armor – This armor enables you to avoid certain attacks. Take this armor together with “Ceramic” and “Scissors” to make powerful bff6bb2d33
