Yup Step 1: Acquire a user name & password. Then pick one of four options depending on your needs. Step 2: Enroll as an Advisor. Step 3: Click on "Profile" on the top right. Enter your personal info. Click on "Create User" and you're done. Step 4: Once you have access to your dashboard, you can click on "Add a New Prospect." Step 5: After you enter your prospect's information, make sure to go through the process of sharing with them information about the investments you have already selected for them. They need to click on "Claim" on the top right of their dashboard, as that will actually link them with your account. Step 6: Referrals are a lot like the above video. You pick a referral then call them up. At that point they will be directed to a phone # that has a 24/7 concierge team, who will "take care" of that prospect for you. Step 7: You'll have 24/7 access to everything that is going on in their account. Step 8: Here's the best part: there is no annual fee. There is a minimum (100 credits) if you want to receive more. Here's one of my clients: So simple, and so easy to do. And from this point, you could be busy going out prospecting while your automated program is doing all the work for you.Lyme disease and meningococcal disease: a public health issue or a public health threat. Although serious sequelae of both Lyme disease and meningococcal disease have been reported, the two illnesses appear to be separate and distinct, particularly when compared to measles and pertussis. Compared with other serious infectious diseases, the public health burden of Lyme disease and meningococcal disease is also low. The former is an example of a latent, intracerebral infectious disease. Meningococcal
