iZotope and T-Pain have teamed up for T-Pain Effect, a music production toolkit designed for so that everyone can create beats and record vocals. For T-Pain to get a chance, he had to show that he had talent and was ready to be appreciated. He did and we did. My wife and I and our two children sat in the studio for almost two months to create something special, and we succeeded. T-Pain accepted the challenge. He showed that he could do something and he accepted the invitation to join us and create T-Pain Effect. It was a great experience and we are still looking forward to
