## **Lakshmi Narayana Hrudayam Stotram In Tamil Pdf 67 [REPACK]**

This Hrudayam is a Salutations of Lord Narayana and his Divine Consort Lakshmi. This Maha Homam bestows upon the person, wealth, energy, intellect, fame, long life and blessings. This Hrudayam is said to be very powerful and sacred and is recommended to be read and chanted only during the day. It has its own various classifications according to the period of day, days in a week, weekdays of the month, Months of the year etc. The ordinary people, who can read and chant are advised to recite the Hrudayam each day or some times like for daily use. They should be sincere and faithful in chanting the Hrudayam each day. Those who are working and busy should chant the Hrudayam on Sundays and holy days. The people who work in the capital should chant it daily. Even an ordinary man should chant this Hrudayam. This is very important. The Hrudayam should be chanted in a serene and tranquil mind. Should be written and read slowly with pauses for each verse. All the 10 verses, between a pair of people performing the homam should be chanted in unison. One should feel such an attachment to Narayana and Lakshmi, if the heart is free from all the impurities and if the relationship between Srimadbhagavat and his devotees is established there should be no feeling of isolation. The Order of the daily Hrudayam I understand that people want to witness what happens when they pray. When you pray, you experience the presence of the Lord in your midst. It is not that the manifestation is physical in any way; it is only that you are in the presence of the Lord. It is a matter of so many things which happens in you. In the yoga of the Lord it is very necessary to have a correct notion. And if you see something that is not right then it is not right, and if you see anything wrong then it is wrong.. This is not just saying something about yourself. It is just like the statement of a doctor to a patient, "If you feel well, then you are well." That is the same. Although this is an ancient and secret mantra, after chanting of this stotram, a person will experience all of the above statements which we have made about the Lord.
