You can save your creations in the Creative Cloud with just a few clicks and share them with your friends and family. **What It Does:** Phrases such as "The faster you learn, the less you may experience," or "Those who do not learn are doomed to re-invent the wheel" only refer to a small group of people, the ones who are able to learn with the new ideas and immediately convert them to impactful lives. The ones who are unable to take any notes or share their knowledge in a methodical way, eventually end up reinventing the same idea over and over again simply because they were unable to gain the faster pace and learn from the "less experienced." Things are now different for the ones who have the ability to learn and shift their ideas into action. We're thrilled to be able to share with all of you the news of the upcoming acquisition of Lightroom by Adobe. With this announcement, we are taking a step forward in our goal of democratizing creativity for all. Today, we are so excited that we've decided to share a preview of the first major release of Lightroom which will be available to everyone. To describe **what Photoshop can do**, you'd probably use terms such as:

- Fix blur
- Make colors pop
- Spray paint different textures on the picture
- Remove red eyes
- Eliminate blemishes
- Retouch things you don't like. 933d7f57e6
